

# FINASTRAUNIVERSE

COLLABORATE TO INNOVATE

6 FEBRUARY 2019 – FRANKFURT

( THE FUTURE OF  
FINANCE IS OPEN

# FINASTRAUNIVERSE – FRANKFURT

Finastra Universe is an annual international executive event series focusing on fintech and the future of financial services globally.

It was developed specifically to help regional players address the challenges in the world of cutting-edge technologies and support banks and financial companies with their transformation into strategically focused, innovatively adept and operationally agile organizations. [Read more.](#)
