## Fusion Essence 2020 is recognized as a **leader** by Forrester

Build the bank of the future with Finastra's next generation banking platform

Fusion Essence 2020 has been recognized as a leader in retail banking "The Forrester Wave™: Digital Banking Processing Platforms Q3 2020" report demonstrating that Finastra is leading the way by combining next generation technologies with extensive business capabilities.

The recent pandemic has exposed banks' operational inadequacies and highlighted the importance of accelerating digital capabilities.

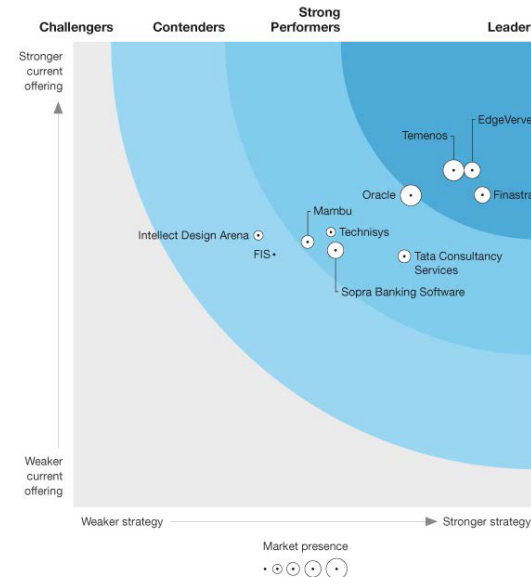

**Fusion Essence 2020** is designed around 5 key areas that are priorities for most banks:

- 1 Cloud First
- 2 Superior Digital Engagement
- 3 Advanced Core Capabilities
- 4 Analytics using AI and ML
- 5 Connectivity to an open innovation platform - FusionFabric.Cloud

//

*We're delighted to be ranked as a leader, which cements our position in the retail banking space. We've worked tirelessly to bring Fusion Essence to where it is today, offering a core and digital banking solution that meets bank's changing needs and enables them to provide their customers with the best possible experience. By focusing on three key vectors of core processing, rich data insights and a strong digital experience, as well as connecting Fusion Essence to FusionFabric.cloud via open APIs, we're also ensuring our solution continues to develop and remains a leader for many years to come."*
