

FUSION MORTGAGEBOTPOS™

One Point-of-Sale Solution, Multiple Channels

"

Because the entire platform is housed in the cloud, borrowers have the flexibility to complete an application in one channel or move seamlessly between channels based on their needs and preferences. ***

Fusion MortgagebotPOS[™]—part of the end-to-end Mortgagebot[®] lending platform from Finastra—makes it possible for lenders to take efficient, error-free loan applications electronically through every point-of-sale channel

Mortgagebot POS allows users to explore rates, fees and products; complete an application in minutes; get instant approvals; and receive immediate online disclosures—from anywhere they have Internet access.

The power of integration

Because the entire platform is housed in the cloud, borrowers have the flexibility to complete an application in one channel or move seamlessly between channels based on their needs and preferences. It also integrates directly into the all-in-one Fusion MortgagebotPOS[™] for processing, closing, imaging and secondary marketing or into third-party loan origination systems. Integrations to LaserPro[™] and DecisionPro[™] are also available.

One solution, multiple channels

The best-in-class technology positions you to enhance your lending profitability in every point-of-sale channel where business is captured (consumer direct, branch and loan officer). Fusion MortgagebotPOS helps you boost efficiency throughout your origination processes, reduce costs, enhance service, streamline compliance and close more loans quicker.

When combined with the all-in-one Fusion MortgagebotPOS, it offers a unique end-to-end solution to streamline your entire lending operation.

The solution for all of your lending technology needs...

Dynamic. Fusion MortgagebotPOS personalizes the application "path" based on borrower-specific information, loan type and more. Fusion MortgagebotPOS is configurable by user type, institution and products, and offers a built-in workflow to streamline all processing requirements.

Accurate. Correctly handles all product, fee and pricing details and ensures that

when applications are submitted via the consumer direct channel, only completed applications are accepted, minimizing wasted time and resources.

Integrated. Completed applications can flow directly from Fusion MortgagebotPOS into Fusion MortgagebotPOS for processing, closing, imaging and secondary marketing or into third-party loan origination systems. Integrations also exist for LaserPro[™] and DecisionPro[™].

Connected. Links directly to automated underwriting systems, credit-reporting solutions, fraud-detection products, flood zone determination, MI, appraisal, and loan documents.

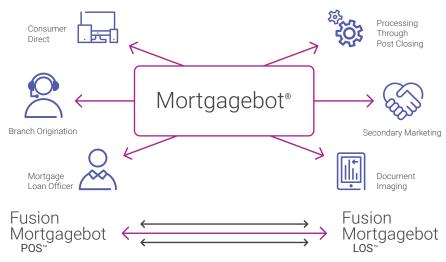

Compliant. Aggressively maintained and enhanced to ensure the platform complies with all regulatory changes.

Secure. Protects sensitive borrower information with redundant back-up systems, multi-level data security and rigorous independent audits.

Reliable. Supported by our dedicated team of professionals with rich technical knowledge and extensive lending experience to deliver a rapid, proven implementation along with outstanding service.
