Public training

Expert knowledge, expertly delivered

Why public training?
Effective training ensures your employees can realize the full potential of your Finastra solutions, as well as boosting their level of engagement. Public training is available to both Finastra customers and partner consultants and is a way to embed valuable expertise into your organization cost effectively.

Cost-effective
When training fewer people, public training is the most cost-effective option, at one-third the price of a private classroom. Remote training is $500 and classroom training is $600 per person per day.

Expert-led classes
Teaching comes directly from our Finastra subject matter experts, equipping your team for success.

Embedded best-practice
Achieve and maintain consistent standards in the use of your Finastra solutions.

Consistently current
Unlock potential from the latest enhancements in product functionality.
