

FINASTRA

Solution Store from Finastra

Your new solution is just a click away

The benefits of Finastra, now available at your fingertips

Finastra introduces the **Solution Store**, an innovative online platform featuring the ability to browse and purchase Finastra Retail Lending products whenever and wherever convenient. Select training and add-on functional modules without needing a single meeting, email, or phone call; the **Solution Store** provides a seamless and hassle-free shopping experience. Your current licenses drive what is available, further aiding in a great digital experience.

Existing customers can purchase add-on products and schedule training in minutes instead of days, with the simple click of a button. And it's available 24/7! Access the Solution Store through Secure Portal **Solution Store**.

Finastra unlocks innovation across the world of financial services, through our trusted software and open platform. To find out more, visit finastra.com
